

**Vision**

The Vision of the department is to improve the quality and standards and to maintain academic excellence by being pro- active and open to new opportunities and challenges in the frontiers of Economics. The Department aims to produce brilliant young Economists who by their scientific knowledge skills and social commitment would act as catalysts to bring about positive changes for the benefit of humanity.

Mission

The department is committed to generate interest in the subject of Economics among students by imparting sound theoretical knowledge and developing quantitative skills to analyse economic behaviour.

We are engaged in creating responsible citizens with critical thinking, right human values and attitude.

To promote the habit of scientific enquiry and research among our students.

To create in our students a concern for the environment and develop appreciation for environmental Economics.
